Dear Mr. and Mrs. Rothwell, Ms. Sykes, Mr. Gates, Mr. and Mrs. Kohler, and Mr. and Mrs. Arnold,

Attached is the latest monthly update of the cleanup taking place to address the Keller Transport gasoline spill. I am also attaching a copy of the data analysis since many of you requested this information last time. Hopefully the files are not too big for you to receive or open.

I will also be sending a copy of this update with the data to the information repository that was established at the Polson Library, Mr. and Mrs. Jones, Mike Voleskey with Governor Schweitzer's Office, Kirby Campbell- Rierson with Senator Baucus's office, Virginia Sloan with Senator Tester's office, and Maren Olsen with Representative Rehburg's office. Should you have any questions or trouble with downloading the pdf. document, please let me know.

Sincerely, Libby Faulk
